No Fuss Fundraiser

October 1st is the Fall Picnic and the last day of the No Fuss Fundraiser. We have only 10 more school days to meet our goal of \$11,000. As of September 17th, \$3900 had been raised. Please keep sending in those donations so we will be guaranteed to see Mrs. Locklear and Ms. Taylor dance the Hoedown Throwdown at the Fall Picnic!

The PTA will not be sponsoring any other "selling-based" fundraiser this year and your donation is 100% tax deductible. Funds raised will go directly to enhance the education of children at Brooks elementary school!

We are asking each family to contribute \$50 per student that is enrolled at Brooks, however, ANY AMOUNT is greatly appreciated! Check now to see if the company you work for has a matching gift program to double your donation.

Every year the Brooks PTA publishes a student directory as a resource for parents and students to connect with one another. If you would like to be included:

Please fill out the form on-line at <http://directory.webhop.org>

Just because you were in the directory last year, does not mean you will automatically be included this year. **We need an online or paper form from every family.**

All information is optional. The Brooks PTA values your privacy and will make a reasonable effort to prevent information from being misused.

If you have questions or would like another paper form, contact either:

Ripped from the Headlines!

Raleigh Mother of Two Signs Up As Brooks PTA volunteer - "My life will NEVER be the same!" she announces!

Imagine the headline above in the N&O. Could it be that the vortex of volunteering claimed another unhappy victim? What if she is actually *grateful* that her life will never be the same???? What if she **finally** feels plugged in as a parent **and** as a person? That headline could have been written about me after my first glimpse of the BROOKS PTA at Open House 2006. I met three other moms that helped me figure out my niche and the rest is history.

As parents, we want our child to feel comfortable at Brooks each time they walk through the front door. They deserve it. We encourage them to make new friends each year, and give their best effort. They deserve to feel a sense of belonging...a sense of family.

Whether this is your first year at Brooks, or you have lost count, don't YOU want to feel like family as well? Sadly, it doesn't happen through osmosis.

Dropping your child off every day is great (well, it's actually expected!) but it will not ensure that you will feel comfortable at Brooks. You'll pass familiar faces after a while, but until you step out of your comfort zone and volunteer for just one hour or one event, it will always seem like everyone knows everyone else except for **YOU!**

We want **you** to be a part of our family - **in any capacity that you feel comfortable**. Once a year, once a month or once a week. You decide. We are not going to make you sign your life away. Give us a chance to share all of the ways that parents, guardians, older siblings and grandparents can make an impact at BROOKS...**one hour at a time**.

If you have any questions, suggestions or concerns about volunteering at Brooks right now, or during the coming year, please feel free to contact Becky Law at beckymlaw@yahoo.com or 325-3900.
